‘Skills for Placement in Corporate

Sectors’

Guidelines

General information

This is a certificate course for final year degree students to complete their graduation with proper finishing touch in different types of skills. This is the competitive, communicative and skill orientated world where English language plays its major role as an international and global language. Without the knowledge of English language, graduation is incomplete, though a graduate gets 90% and above. So, with the purpose to help the students of final year degree to complete their graduation successfully with the knowledge of English-speaking skills and other related skills, this certificate course is started from the academic year 2020-21.

Aim of the Course

The aim of the course is to help the students to develop their ability to communicate effectively in English, both speaking with accent and writing for getting better placement in Corporate Sectors. The main purpose of this course is to teach the students to make up their mind strong and help them to become confident in the usage of English language by teaching the basic rules of grammar, spelling, capitalization, number usage, and punctuation, tenses, speeches, voices and other related skills. How to defeat others in communication by defending themselves, how to face interview and how to initiate or how to begin their speech in group discussion will be taught in this course.

Duration of the Course:

The course runs for maximum six months including theory, practical, practice classes, activities, tests, final examination and the declaration of the result. There will be two batches yearly. The first batch starts from July first and it ends on 31st December. On the very next day, next batch starts from January first and ends on 30th June every year. We have started this course during this

academic year 2020-21. Admission process will be done in the last week of June and December every year. **Total teaching hours is 40.** It runs for four months.

After the declaration of the result, the certificates will be distributed to the successful candidates.

Feedback given by the Participants

I am Manjunath Bheemannavar from Karnataka arts college Dharwad. I like to give feedback for the 'self - financed certificate course' for students on 'skills for placement in corporate sectors' arranged by the department of English, Nehru Arts, Science and Commerce college Ghantikeri, Hubballi.

It is impossible to give feedback of such a great course with 40 hours online. I want to mention some key moments here.

Unexpectedly I joined the course but I learnt lot of things in this course. It was one of the best course i ever attended. The session conducted by Dr. Gurunath Badiger sir on analytical skills and phonetics was made special impression on me. I asked a question regarding the British accent And I cleared my doubt regarding that. The session conducted by major Dr. M.F Ansari sir was also excellent. The 1st slide shared by Ansari sir and the explanation regarding analytical skills was amazing. I understand the concept of IQ, KQ, & EQ and so on.

I want to thank Dr S.M Chillur sir for giving me an opportunity to attend this course. I thank everyone here who are the part of this course. I request management to make more great course sessions like this.

Very good

Excellence

Skills for placement in corporate structure topic was good i easily understood.

Yes

The Certificate course organised by the Department of English is apt and very helpful for our future. All the sessions were handled by the resourceful resource persons. Thank you all.

I very glad to Express my views. It's a wonderful session for us to know how to improve our communication skills, job opportunities, personality development etc. Each resource person did it very well and thank you so much for this opportunity.

Good

Excellent very happy to be part of this course

Very informative course,it helped lot in bosting the self confidence, increase our knowledge,

Good afternoon. Im muskan and the classes were super interesting. We all had splendid time while learning something new each second was lucrative for our future and present which we were unknown until the classes. I can say this classes has benefited me very much not only in speaking English but also in public speaking, facing interview with relax and calm, understating the psychology of our mind and controlling the overflow of emotions,and how to express our thoughts without hurting other person politely, and how to speak pronounce each word perfectly correctly, and the main thing grammar to correct our communication,besides this at last we fed with analytical thinking, manners critical thinking, punctuality and honesty with ourselves as well as with the world. The spoke persons were well knowlegeable and encouraging they lead us to face the fear and demolish the hesitation while speaking. We are very grateful that we got the wonderful opportunity to attend this classes which will be lifetime interest. I whole heartly thanks to each on spoke person Dr S M chillur sir, Dr disha madan, I Dr Asha n rabb, baddiger sir, yatnaddi sir, Miss soujannya Diwan and Major Dr M F Ansari. We want such classes every year to brush and make our personality perfect. Im going to absolutely apply all this suggestion that they have given us. Now i can say proudly fearless that i can speak with confidence in front of all, no more stage fear. All because of these classes and stupendous spoke persons once again thanks a lot to all...

Very good

Its good

Thank You So Much this Wonderful Sessions It Was Very Nice We Got more Information From This Course 😊

Yes.

My sincere gratitude of thank goes to our English department for organizing such a wonderful course thanks for giving us the opportunity to participate in this certificate course classes

In this certificate course classes I learned so many things which is more useful for me and all the sessions were presented in an enthusiastic way which all made very informative , interactive and enjoyable

All the teachers and resource persons presented their presentation in a beautiful and pellucid way These sessions made us mentally and emotionally strong

Thank you very much to all the teachers for Enlightening and strengthening us in every field and towards the success I learned so many things in these classes such as soft skills, analytical skills, phonetics, problem solving, psychological aspects of human, facing the interview, speaking with confidence, making positive mindset to face every challenge etc

I am very much benefitted from this course

I will apply the teachings and techniques in my life taught by all the great teachers

Once again I would like to thank our English department

It was very usefull for beginners

The course was very informative and attractive.

First of all thank you very much everyone here, for organising such an informative course even in a pandemic situation and I'm very thankful for giving me an opportunity to improve myself. Each and every session was superb and we learned about so many interesting and self improving things. In these sessions we learned about alot of life skills which are very important for all of us in order to achieve our goals. Over all it was very helpful and I wish to attend the offline classes too it would be more interesting as all the resource persons and the faculty are so excellent that they made things easy to understand. Hope to meet you all thank you very much one and all...

As Bill Gates said-

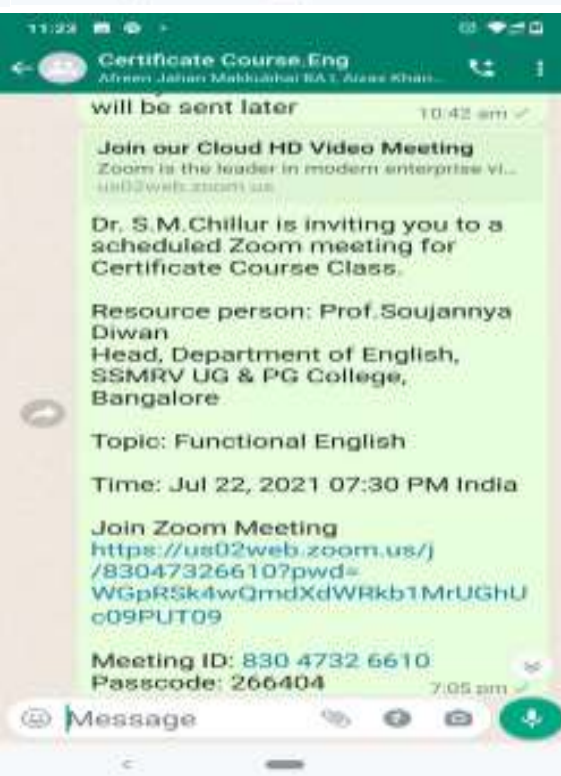

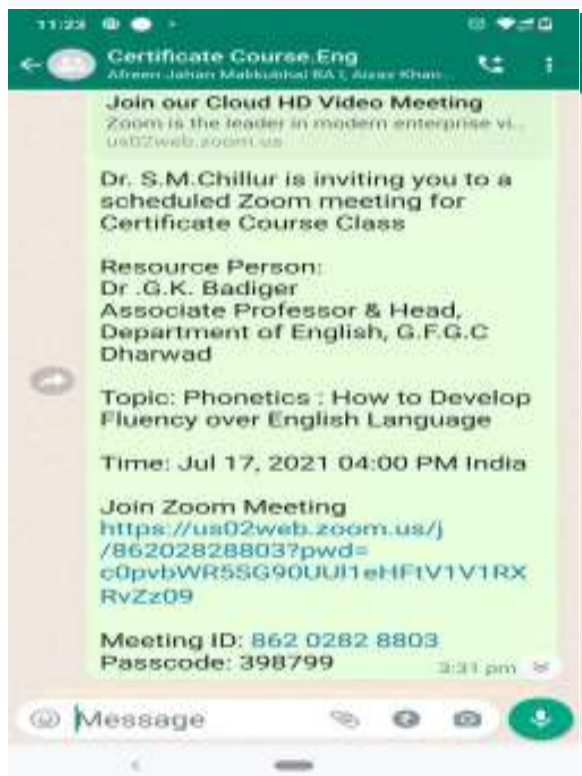

"As we look ahead into the next century, leaders will be those who empower others."just like you all are empowering the student community.

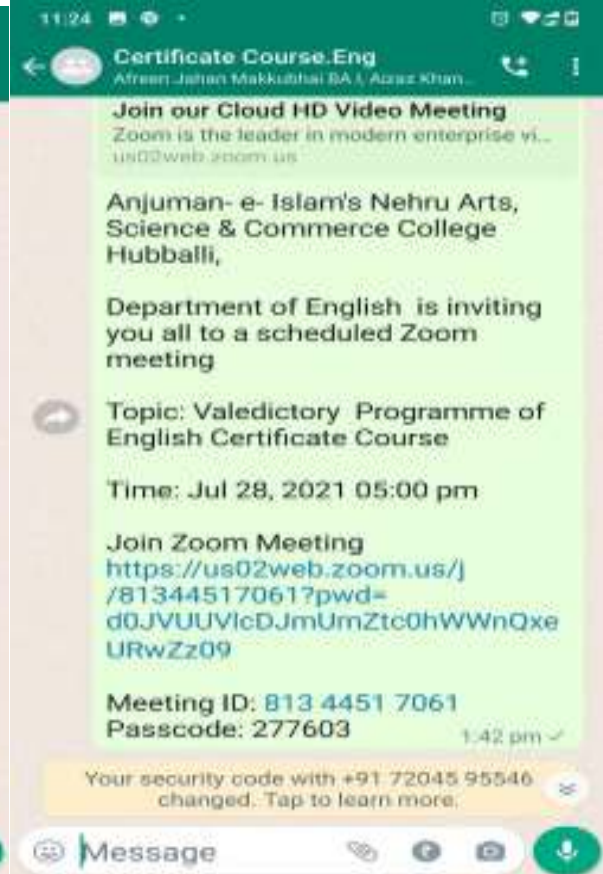

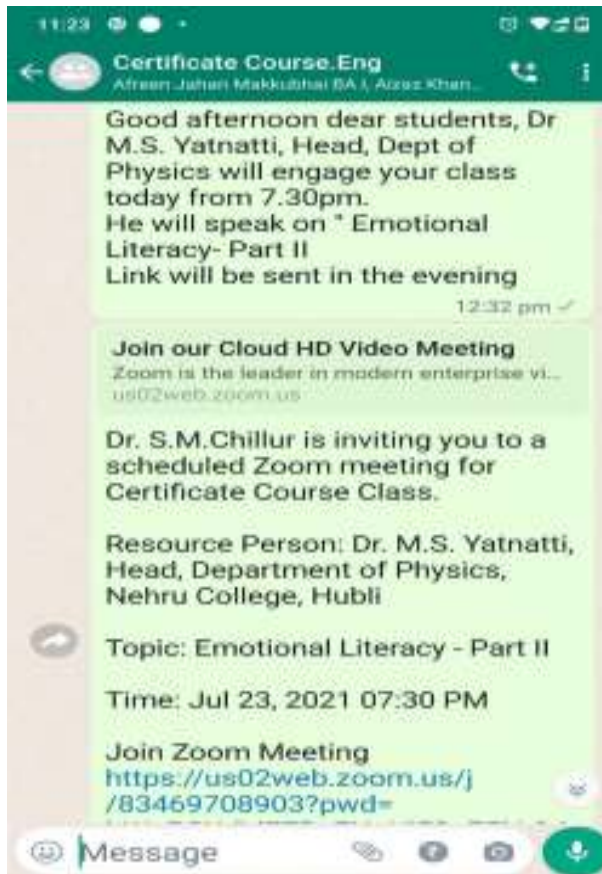

We are grateful towards you people.....

STAY SAFE STAY HAPPY 🥰👍
