

7.1.1.

- **Annual Gender Sensitization Action plan:**

Anjuman-e-Islam Hubli pays the entire fees of meritorious girl's students and the needy students. For training of computer, outdoor sports and indoor sports girls are given specific timings so that without any hesitation develops their skills. Even girls student are given different timing at the time of admission and paying fees. To create awareness of self employment training is given to them.

- **Specific facilities provided for women in terms of:**

- a) Safety and Security**

College identity card is issued to all students and our entire institution is under surveillance of CCTV cameras. More over we have a male security at the entrance and female security at ladies rooms, library as well as during their sports time. Fire extinguisher & first aid box are available.

- b) Counseling**

We counsel the girls students separately right from begins of academic i.e. orientation program we take all the girl students & counsel them by senior ladies staff. We tell them to whom to approach at their difficult times. Later periodically guide them about self help, self employment, and value of higher education also to be good citizens.

- c) Common rooms:**

We have common ladies room for all girls' students with basic facilities. We provide separate reading space in main library with a lady security. We have a separate indoor sports timing for girls

- d) Day Care for young children**

Right now we don't have it but in future if need arises we will think of it.
