## 1) The Definitions of Research

1. **The Advanced Learner's Dictionary**, "A careful investigation or inquiry specially through search for new facts in any new knowledge"
2. **Redman and Mory**, "A systematized effort to gain new knowledge"
3. **Clifford Woody**, "Research comprises defining and redefining problems, formulating hypothesis or suggested solutions; collecting and evaluating data; making deductions and research conclusions; and at last carefully testing the conclusions to determine whether they fit the formulating hypothesis".
