Objectives of the Study

This study aims at investigating the possible ways for using ICT in Yemeni EFL classroom with an attempt to come up with a proposal for integrating ICT in the EFL Curriculum. It also aims to achieve the following objectives:

- to identify the college teachers and students' current ICT competence level and to explore the facilities that educational institutions are equipped with.
- to examine their attitudes towards the proposal of integrating ICT to EFL classroom.
- to investigate their expectation of the ICT use in EFL classroom
- to propose appropriate ways for the integration of ICT to EFL class in its Yemeni context.
